

Squire Canyon Area Chipping Event 2013

Fire Safe / Green Waste

WHAT: The Squire Canyon Community Services Dist., with the assistance of CAL FIRE, and the Fire Safe Council is conducting a **FREE** chipping event to be held in portions of the Squire Canyon and Indian Knob area. Sustained high temperatures and dry weather in the summertime create dangerous fire conditions. Chipping is a great way to clear your property of potential fire hazards. Disposing of green waste without burning also preserves our air quality.

WHERE: The event will cover the Squire Canyon Rd. and the Indian Knob Rd. Area.

WHEN: December 2
Chipping will be done on weekdays only. Have your pile ready **by the start date.**

HOW: Sign up to reserve your spot. Fill out the attached form and **in kind time sheet**. Drop it off or mail it to Squire Canyon Community Services District, 1 Squire Canyon Rd., San Luis Obispo, CA 93401 **Sign-up forms will be accepted until Nov. 28**

VERY IMPORTANT – HOW TO PREPARE FOR THE CHIPPING EVENT:

- Material to be chipped must be clean yard waste only (tree limbs, brush, etc.) – no metal, nails, barbwire, garbage, rocks, etc.
- Not allowed:** grass, vines, bark, piles of leaves, juniper bushes and other light non-chippable material; No processed lumber and other non-vegetation material.
- All chips will be left on site in a pile for homeowner use. Chips will not be hauled away.
- Branches can not be thicker than 4 inches in diameter
- ALL material must be piled in a location easily accessed by the chipping vehicle. Vehicle will not leave the public roadway to access a green waste pile. Crews will not drag material long distances or over fences.
- Pile size limited to one ton. Pile dimensions no larger than 15ft. by 15ft by 4ft. high
